CURRENT HAPPENINGS

Fall Horse Show Results!

A heartwarming event for all! On Sunday, October 18th the crisp Fall morning turned gloriously warm as the first of 18 riders entered the ring. This year's contingent included some of the usual riders, a few summer campers, and some Phase 3 riders who only had a week or two back in the saddle before walking into the ring. It had been almost 7 months since some have ridden, but it didn't take much to shake the dust off and shine.

In a normal year, we might host 5-8 troops (about 40 girls) visiting the farm to earn either their Horseback Riding or Animal Helper Badge but 2020 is different. So when this handful of Girl Scouts came to the farm we were as excited as they were!

Volunteers Needed for Woodpond Adaptive Lessons

Huge Indoor Arena so you'll stay dry and won't freeze! Our adaptive riding program is almost full again and we need you to help make it successful! Riding will move to its winter home at Wood Pond farm starting on November 9 and we are especially looking for leaders. Therapy remains at the main barn and while we are set with weekly volunteers, we always need subs. Make sure you look for emails from Volunteer@manestreamnj.org as we expand our volunteer needs to meet our programs. (Photo 2019)
