## The Mane Stream eCurrent

Unbridled Possibilities for Children & Adults with Special Needs

### CURRENT HAPPENINGS

#### EMBRACE - EQUUS XXIX

We are overwhelmed by the amazing **generosity** of everyone who participated in EQUUS XXIX. Guests at our first in-person event since 2019, had a fabulous time bidding on silent and live auction items, learning about Mane Stream's programs through participant stories, and dancing well into the night. Everyone was extremely generous with their support, including a surprise major gift from an anonymous donor and we were able to surpass our financial goals for the event.

#### Who is that Cutie in Field #1?

We are so excited to welcome **Peanut to the Mane Stream herd!** It's been almost a month since 18 year old Peanut has been working with our therapy clients in their treatment sessions and he's super curious about all that goes on with new job. This handsome and sturdy 13.1 hand Haflinger is going to be a great asset to our 4-legged team!

**Thank you Barrie Saltzman for sharing your dearly loved pony with Mane Stream.** He will soon be a favorite to many of our clients and volunteers alike!

## ADAPTIVE RIDING SESSION 5

starting 11/15  
at Woodpond

## Directions to Woodpond for Adaptive Riding

### Starting Monday, November 15th

If you are volunteering for OR riding in the Adaptive Riding Session 5, you'll need to make sure to go our winter location called Woodpond. Rebecca & Jen will be providing the **TWO ADDRESSES** that will get you there. If it is your first time remember to **MAP IT** a day or two ahead and give yourself enough time to get there in the dusk/dark! If you want to test drive it please do not go up the driveway as this is a private residence. Thank you!

## FALL TACK SALE

HUGE  
SUCCESS  
*thank you!*

## Tack Sale a HUGE Success

**THANK YOU!** There are only certain times when you can use EPIC to describe something and this is one of them. We didn't think it was possible to have another sale like 2020 but the local community came through once again donating everything under the sun horse-related. As usual, the crowds were lined up neatly waiting to get in well before the 8am start time.
